### RE: Promotion of Alison Flynn as Vice President of Maintenance in our Princeton Office

Shearon Environmental Design of Princeton, New Jersey is pleased to announce the promotion of Alison Flynn. Ms. Flynn has worked for Shearon Environmental Design's Princeton office as the Division Manager since 2005. Alison, received her Bachelor of Science in Agronomy and Turfgrass Management, Delaware Valley College. Alison brings a wealth of experience, knowledge and dedication to our organization to her new position.

Alison replaces Chip Kern, who after 27 years of dedicated service as the "Vice President of Maintenance, Princeton Division" with Shearon, has chosen to retire. Chip, who many of our clients have come to know and love throughout his years of service, will be missed by all. We at Shearon are proud to include Chip as part of our family. We appreciate all of his accomplishments, wish him the best in all his future endeavors, and look forward to staying in contact with him during his well deserved retirement. We are confident Alison will continue to deliver the same excellent customer service to our clients that Chip has provided over the years.

Headquartered in Plymouth Meeting, PA, Shearon Environmental Design is a leading provider of site maintenance and facility management services including Civil Engineering, Landscape Architecture, Landscape Design/ Build/ Maintenance services, Arboriculture services, Irrigation Services, Interior Plantscapes, Snow & Ice Management, and Golf Course & Athletic Field Construction. We proudly provide these professional services to over 1,200 valued clients throughout south and central New Jersey, northern Delaware, and southeast Pennsylvania.
