February 2015

### RE: Shearon Environmental Design Announces Employee Registrations and Certifications

Plymouth Meeting, PA, February 23, 2015 - Shearon Environmental Design is proud to announce several staff members have received their professional designations: Matthew Shearon, RLA has recently passed the Landscape Architecture Registration Examination (LARE) to become a registered landscape architect and Zachary Shearon has become licensed to perform civil engineering work in the state of New Jersey. Being licensed in New Jersey allows Shearon civil engineering to better serve our existing and potential clients in the Greater Delaware Valley. Zach has been licensed in Pennsylvania since 2013.

The LARE is designed to determine whether applicants for landscape architectural licensure possess sufficient knowledge, skills and abilities to provide landscape architectural services without endangering the health, safety and welfare of the public. Successful completion of the LARE is required for licensure as a landscape architect.

Matt has been employed by Shearon since 2002 and holds a Bachelor of Science degree in Landscape Architecture from Temple University. Zach has been employed by Shearon since 2014 and has a Bachelor of Science degree in Civil Engineering from the University of Vermont.

### About Shearon

Since 1974, Shearon Environmental Design Company has proudly supplied top-quality landscape design, construction and maintenance services to a broad range of customers throughout the greater Delaware Valley. Our corporate headquarters are located in Plymouth Meeting, PA with regional divisions maintained in West Chester, PA, Voorhees, NJ, and Princeton, NJ.
