Mr. Erickson comes to Shearon with extensive experience in senior management. He has worked with two large regional companies in the New Jersey, Pennsylvania and Delaware area for the last 16 years, producing between \$10-16 million in revenue each year. Jim brings with him a vast knowledge in the fields of landscape maintenance, irrigation, snow and ice management and landscape construction. With his strong focus on customer satisfaction and attention to even the smallest details he will be a valuable asset to our organization and our clients for years to come.

We are confident that Jim will bring a new energy and vitality to Shearon Environmental Design as Vice President of Maintenance and that he will continue to not only provide the excellent customer service that our clients have come to expect over the past 42 years, but that he will also bring with him a renewed sense of momentum to further meet our client's expectations.

Headquartered in Plymouth Meeting, PA, Shearon Environmental Design is a leading provider of site maintenance and facility management services including Civil Engineering, Landscape Architecture, Landscape Design/ Build/ Maintenance services, Arboriculture services, Irrigation Services, Interior Plantscapes, Snow & Ice Management, and Golf Course & Athletic Field Construction. We proudly provide these professional services to over 1,200 valued clients throughout south and central New Jersey, northern Delaware, and southeast Pennsylvania.
